THREE FINE PUSSIES FOR YOU

LET'S BE LESBIAN-FRIENDS

ON THE SCENE

You are walking into our home looking tired and beat from a long night at work. It's morning now and I greet you with a nice hug and kiss. You go immediately to a warm bath I've run for you. You undress and melt into the tub just lie there letting the stress leave your body and you start wondering what I'm up to. You know that you're in for a relaxing night of love-making because I have for you two glasses of a fine white wine, gardenia-scented candles and a basket of cool, fresh strawberries.

You get out and towel dry and redress, and I wonder why. Those clothes are just going to come off again. You come to the kitchen and I'm pouring the wine. I feed you the fruit and you do the same for me. I cannot take it any more, I open your shirt with lust in my eyes, rubbing your breasts seductively. We retire to the other room and I pull off your panties and spread your legs so I can see how ready your pussy is for my love.

I softly rub your feet and calves talking in sweet low tones that I want you to completely relax and give yourself to me. My hands go to work on your breasts, making the nipples come to life as I squeeze them and twist them just the way you like. Then my hands slide slowly down your belly to your pussy, playing down there as if I was playing with myself when I think of you. Your head is rolling back and forth nestled in my

breasts as I kiss the back of your head and your ears and you turn your head so we can kiss. You have totally relaxed and would like nothing more than to go to bed with me. We look at each other and kiss and I take your hand and lead you to bed.

Today, I lie you down and just start slowly, teasingly kissing your body from your feet up to your thighs, parting your thighs to kiss and lick your pussy and clit for a few seconds before I continue up your belly to your breasts. I'm straddling you and you reach up to stroke my pussy and ask me to please let you have a taste. I'd wanted to make you wait but I'm so turned on that I move up and lower my pussy to your mouth, squatting down as you tongue my pussy, asshole and clit in succession as I moan and writhe above you, rotating my hips easily to your rhythm. I could cum in a second. I swing around so we can 69 as I can't wait to have you in my mouth. We just lick each others pussies for the longest time. We tease and bring each other to the edge many times and we're soaking each others faces from our juicy love holes.

I move off of you and tell you I have a surprise for us, that we're going to fuck each other silly. You smile happily and just lay back and I want you so bad. With my fingers I slide them around your pussy to lube it up, grinding your clit and sliding them hard and poking your asshole hard with it. I slide two into your pussy a little bit then more and more and fuck you very slowly with them

as my other hand is stroking your boobs, and my fingers start to go in and out faster and faster and harder and harder as I lean in to tongue your clit. I lift myself up and slowly and seductively show you what it's doing to me. Our legs spread wide, our pussies mash together when we meet, our clits kissing like only they can. You tell me I'm making you cum and I say let's cum together'. With our hands on each others breasts and still gyrating and slamming together in perfect motion we scream out as we explode in orgasm, whining and cumming and hugging and just riding the peaks and valleys of passion over and over. Afterwards, I lie on top of you, our chests heaving as we feel each other's spasms spelling the end of our orgasms. We kiss softly and long and smile happily when we look at each other. I slide off to your side and we just lie facing each other with legs wrapped and hands stroking slowly and kissing just building to another round because once will never be enough for us.

WATCH ME PUSH IT IN DEEPER

THE SCENE ON THE LATINAS CALIENTE MAS

In the world of adult entertainment, the Latina is one of the most sought after fuck bunnies. Known for their eroticisn and passion, most of them attribute it to their hot blood. While we don't want to get into the biology of the blood stream, we do want to introduce you to just a few of the many in the business. Statistics say there may be as many as 1,000 ladies working in the adult entertainment industry at one time. Of those, there may be a couple hundred of Hispanic origin. Given that the percentage of hispanics nationwide is approx 17%, and half of those are women, then the percentage in adult is substantially higher than the norm. Anyway, statistics are boring. These women are not...

AVA MENDES: I started a few years ago through another Latina that introduced me to a male performer. He told me all bout the business and I admit it sounded interesting. He promised to kinda watch over me, so I agreed to meet a rpoducer and things took off from there. I don't know how much longer I can do this, but while I'm here I'm having one hell of a good time. I love to fuck and this is the perfect outlet for someone like me.

AVA MENDES

VERONICA RODRIGUEZ: I've always been pretty sexual. I won't tell you when my first time was, but by the time I turned twenty, I had done pretty much everything. I've always been told that I have a sexy mouth and it is pretty big, so guys constantly asked me for a blow job telling me they loved my 'big' mouth. I would say "But wouldn't a small mouth be better? A tighter fit?" That usually made them stop and think, and man, some of the expressions on their face were priceless. But I do have to admit that I give a pretty good bj. I love sucking cock and usually I'll swallow if I like the guy and he tastes good to begin with.

As far as sex on camera, I love it. I love being on camera and I love sex. What better combination is there? I know I can be sexy so why not take advantage of it. Guys like that, They want their lover to look sexy and be sexy. I've changed my hair several times, I change my nails at least once a week and I've even let my pussy hair grow just to cange the pace. It also lets me be a little bit of a different woman every time. I guess you can say it's my Latina blood. I'll go for that.

VERONICA RODRIGUEZ

ICE LA FOX: I'm proud to be a Latina and I'm proud of my sexuality. I've been doing adult photos and videos for more than fifteen years. I guess you might call me old school, but there have been other famous Latinas in the biz way before me. Remember Vanessa del Rio? Now there was one hot-ass Latina. Don't laugh, but when I decided to get into porn, I would look at her videos and study her facial expressions when she was getting fucked. I'll look at her blow job technique and try to do some of the things she did. Fortunately, I had a willing partner to practice on every day. It took a while because I was a newbie and she was a seasoned pro, but now, it all has paid off. I've made a living doing this, got me a nice car and apartment and next year I'm planning to buy a house.

MY STORY: HOW I STARTED IN PORN

Have you ever wondered how men get into the adult business? There are plenty of stories and video clips with starlets recounting their first experience or how their girlfriend or husband got them into the game. We know there are many wanna-be guys who dream of fucking new girls every day, but the reality is that it's tough work and they have to stay hard for hours at a time and cum on command. No wonder there are so few of them.

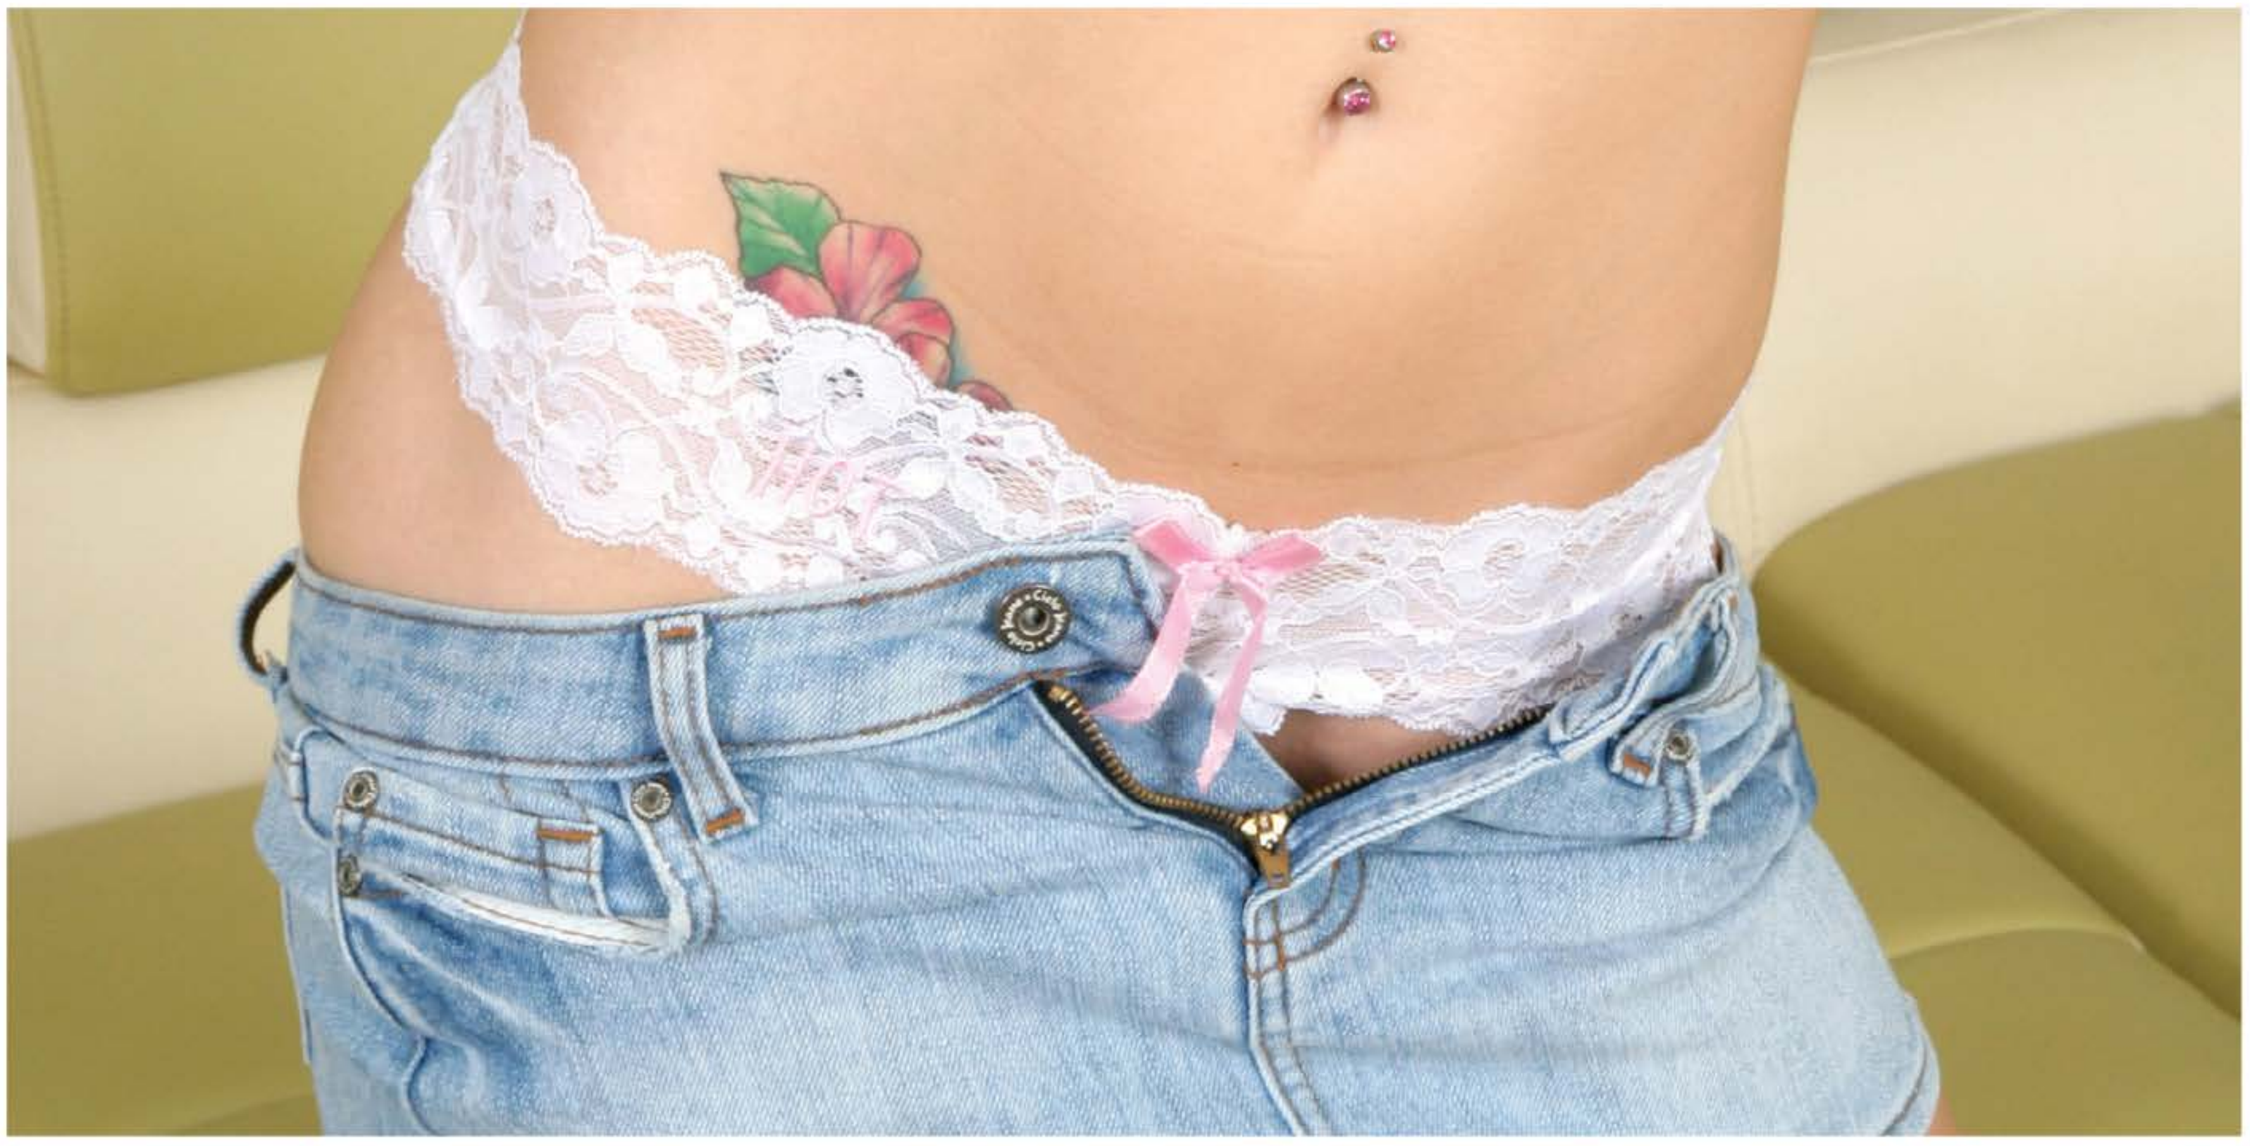
Sitting around and waiting is always the hardest part of the job. Thinking and fantasizing is all I can do. Naturally I'm already rock hard, anticipation of my turn in front of the camera. Waiting for the scene to end so mine can begin. There are no fluffers anymore, unless you're working a gang bang. I don't do them.

Sometimes the girl I'm working with will give me a hand job or blow job just to keep me hard and interested. But man, when I'm waiting around for an hour or more, that's not possible. I have to find a way to stay in the game once my number is called.

But you asked how I got started? Yes? It was about four years ago that I did my first pro gig that I actually got paid for. I had done a few stand-ins when the male star couldn't keep it up or keep it going. I worked in a college cafeteria after graduating. I swore it would only be for a few weeks and I could be around my girlfriend who still had one more year.

But as fate had it, a sales lady for the beverage company came by one day and I was immediately smitten. I happened to be in the Food Services office and she mistook me for the manager. I do admit I let her on for a minute, but told her, and we both had a good laugh. I went and found the manager and told him there was someone to see him.

Her name was Valerie and she was a hottie. Immediately I reminded myself that I was in a relationship and had to change my attitude right away. But all I could do was think about how I wanted to tear off her clothes and slip her my thick cock the moment we met. That's not how is goes though is it, there is always at least a hi or hello first followed by some conversation.



A couple days later my manager asked if I could run downtown to their Work had finally taken me to her warehouse and pick up some new product she must have convinced him to try. It was five o'clock, exactly the time I was to be there. I backed into the loading dock and she came out with her white blouse, black skirt, heels – and a bright yellow hard hat. I wasn't expecting to see that and it was kind of a turn-on.

I got out and we both waited on the dock for the pallet to be brought out. I looked at her closer and saw she couldn't have been more than 25. We made some small talk about the product I was about to receive, that her daddy owned the business and she had just broken up with her boyfriend. Did I see that as an opening. You bet I did.

Then it happened. I couldn't control my mouth. My cock was taking over. I asked if she would like to grab a coffee. She looked at me, right into my eyes, and I had to look away. I think that sold her. Shy was I. That's when the loading dock doors opened and the pallet came out. 'Whew.' I thought. Maybe I didn't say it but just thought it.

I helped the guy load the back of the truck and he went back in. She did a final count from the dock and motioned me over to get the receipt. I went and she bent down and whispered to meet her at the coffee shop on Third and Maine in an hour. Unbelievable, I thought. At six-thirty she showed up.

Her blouse was looser than before and her boobs pushed at the fabric since there didn't seem to be a bra to help keep thim back. She still wore the black skirt that she wore at the office. Black leather ankle high boots covered her feet. She was radiant, her soft light skin, red lipstick and layered blonde shoulder length hair.

We each had our coffees and talked for a couple hours. I was able to use my college education to impress her because she only went for a year. She agreed to meet me for a picnic on Friday. I told her there was a great area about a half hour away. Never did I say that I had a girlfriend because it was my cock talking most of the time.

Friday, noon. I was quick to open the truck door as she got in. I was transfixed on the six plus inches of cleavage that was presented as she climbed in. She giggled and laughed as she noticed me notice her. I started the truck and we departed. I could feel her eyes on me and a smile that hadn't stopped. "I can't believe we are finally going!" she said. I turned my head to return the smile but I was once again lured in by the bounty of cleavage. She laughed and unbuttoned a feew more buttons of her shirt. That put the opening below the bottom of her boobs and I could see there were only two buttons left.

I was hard. My cock nearly touching the steering wheel. It was a hot day and all I had on was my boxers be

neath my coveralls. She kept playing with her buttons finally unbuttoning them all. She looked over at me and smiled as she rubbed them. I reached over to touch the closest one and as I did she breathed deeply. Between my thumb and forefinger I squeezed her nipple and she let out a whimper. She pulled up her skirt to reveal her panties.

"Do you like these?" she asked. I moved my hand down to the underwear to feel them. They were sheer but with a spider web pattern to them which was almost rubbery. "I don't usually wear underwear for to go out but I saw these and thought you might like them." I was transfixed on the damp warmth between her legs as I continued to explore them with my fingers. As I pushed my middle finger up and down her slit she let out another moan.

She sat up to remove them in the passenger seat as we continued down the road. She held them over her crotch for one last look. She folded them into a tight wad and started working them around her pussy soaking up all her wet juices. Once they were completely soaked, she carefully set them on the floor in front of her.

A moment later we reached the park entrance and I turned into the nearest vacant lot I could find. As I parked the truck, I moved my seat as far back as it would go and pushed back the steering wheel. In one motion I lifted the console out of the way and kissed her. I could feel her breath deeply as she pulled away. She had a look, she wanted to devour me.

She ran her hand down my coveralls to the swollen cock. From there she zipped them open form the bottom to reveal my cock had already made its way through the opening in the boxers. She stared at it and gave it a few strokes before swallowing it. I just lay there as my cock felt the back of her throat. She turned away form me and spread her legs which gave my hands access to her now drenched pussy. Her hot mouth was working hard to make me cum but I held out for as long as I could before the inevitable. She took her time and slowly worked every last drop of cum from my cock. I was spent and lay there while she returned her boobs inside her shirt and pulled down her skirt.

After she checked her hair and makeup in the passenger mirror she helped return my receding cock into its proper place. "Lets go picnic." she said with a smile. After she stepped out of the truck, she leaned back on the bumper and reached between her legs and pulled out her panties. "These are for you." she laughed and placed them in my top coverall pocket. I grabbed the picnic basket.

The reason this is my unofficial sytart is that I realized I could have uncommitted sex with someone other than my girlfriend. I broke up with her over Christmas break. By summer I had offered myself as a stand in cock. I liked it, and when director's saw I could stay hard, I was in!
